

# Working Groups & Organization

**Purpose:** Working groups are intended to provide proactive preparation for the annual Pooled Fund Fall meeting

**Objective:** By dividing the pooled fund into working groups, members will participate in discussion to propose specific needs and prioritize interests within each separate group. Discussion will serve to familiarize members with materials and information as well as consolidate and combine similar project needs for increased efficiency.

## Meetings and What to Expect:

**Receive and review material prior to**

**Propose ideas and voice thoughts**

**Identify project needs**

**Discuss and prioritize requests**

**Reach an overall understanding of infor-**

In consideration of the short amount of time prior to the 2019 Pooled Fund Fall Meeting, anticipate to have an initial web call in early June. A follow up call will be arranged between July and August, while additional calls may be in order depending on the progress of the statements and initial calls.
