from Shawn Debenham Utah to everyone: 10:31 AM
If a curb is needed would a u-channel rub rail simular to median w-beam transision be acceptable? Could this be added to the proposal?
from Roger Bligh (internal) to everyone: 10:55 AM
If the slides appear small on your screen, you can enlarge them by using the View menu at the top of the Webex. View --> Zoom To --> 200% (or whatever zoom level works best for you)
from KanitzD to everyone: 11:52 AM
Thank you!
from Ted whitmore to everyone: 11:52 AM
technical issues. just a minute
from Husain Aldahlki (internal) to everyone: 1:41 PM
Now, we return

roadsidepooled17
from Nauman Sheikh (internal) to everyone: 2:43 PM
I just created an account and it worked nicely
from Jim Danila, MassDOT to everyone: 2:45 PM
my email address is already available to the public, so it doesn't make a difference to me
from Ahmet Demirbilek to everyone: 2:46 PM
The system does not recognize my email
from Marc Danley to everyone: 2:47 PM
I would prefer user name to the public and email to login members.
from Musafa Mohamedali WSDOT to everyone: 2:55 PM
Suggest you please add FHWA TPF-5(343) pooled fund webpage at the top-right--next to WSDOT Home:
https://www.pooledfund.org/Details/Study/592
from Shawn Debenham Utah to everyone: 3:00 PM
Could you please repost the web site info, I lost internet for a short time so I lost chat history.
from Musafa Mohamedali WSDOT to everyone: 3:01 PM
